

## SPEAKER

# DAVE HATTER

## CYBERSECURITY AND COMPLIANCE CONSULTANT

Dave Hatter is an award-winning technology leader with more than 30 years of experience in software engineering, cybersecurity, and project management. A committed lifelong learner, he holds numerous industry leading certifications, including CISSP, CISA, CISM, CCSP, CSSLP, Cyber-AB RP, Security+, Network+, Azure Fundamentals, PMP, and ITIL Foundation.

He earned a BS in Information Systems from Northern Kentucky University and has authored or contributed to 12 technology books and more than 100 published articles.

A sought-after subject matter expert, Dave appears regularly on 55KRC's "Tech Friday", and "Simply Money" as well as WTVG's "The Nine," and has been featured in thousands of interviews on Fox News, CNN, NPR, Bloomberg, The Wall Street Journal, and more. He has testified as a cybersecurity expert before the Kentucky Legislature and frequently speaks for organizations including ISC2, ISACA, PMI, and chambers of commerce across the region.

Dave has also served as an elected official for more than 25 years including over 10 years as the Mayor of Fort Wright, Kentucky.
